Artwork description:

Describe your artwork and the inspiration behind it (50-100 words).

Who or what is featured in your artwork? Why did you decide to paint this? What do you hope it will make passing neighbours feel? This will be used to share your artwork on our social media and website.

E.g., This is my masterpiece of a fire-breathing flying lion doing epic somersaults in the sky over the neighbourhood house. I was inspired by the lion dancing at the Lunar New Year event at the neighbourhood house. I hope people who walk past and see my work feel powerful!
